Integration Programmes

Founded in 1947 and run by the second generation of the Méan family, La Garenne School offers unique integration programmes throughout the academic year to children aged between 5 to 16 years old.

In addition to our full-time school year curriculum, students may also choose to join La Garenne as part of our Integration Programme during our academic year from September to June. This offers them a unique taste of academic and boarding life over a shorter period, after which some may choose to join us at a later stage for the full academic year.

FINANCIAL CONDITIONS

The reservation will only be effective once the entire payment has been settled. If parents cancel their child's place 65 days or fewer prior to the start of the Integration Programme, the school reserves the right to retain the amount paid. Once the Integration Programme has begun, the school retains full payment. This also applies to early or voluntary departure, late arrival, dismissal or prolonged absence.

If there are several boarders from the same family (brothers and sisters) enrolled at the school, the following discount will be applied: 10% for the second child, 15% for the third child, and 20% for the fourth and any additional children. In case of litigation between the school and the parents, Swiss Legislation is the only law applicable in all matters concerning this contract. The competent tribunal will be that of Aigle, Vaud district.

CANCELLATION POLICY

If parents cancel their child's place within 65 days of the start of the course, the school reserves the right to retain the amount paid. Once the course has begun, the school retains full payment. This also applies to early or voluntary departure, late arrival, dismissal, or prolonged absence, or inability to travel because travel documents are out of date or refused at the border.

If a student is prevented from travelling due to worldwide restrictions following declaration of a global pandemic, we either will refund the payment in full or offer a credit note for the amount paid that can be used for any future stay (academic, summer, winter, or integration) valid for two years. Decisions are made on a case by case basis. We strongly suggest the parents take out an insurance policy that covers all eventualities.

IMPORTANT

The enrolment of a student at La Garenne implies that the parents, legal guardians or person responsible for the child, have accepted the school rules and financial conditions.
