FINANCIAL CONDITIONS

The reservation will only be effective once the entire payment has been settled. If parents cancel their child's place 65 days or fewer prior to the start of the Integration Programme, the school reserves the right to retain the amount paid. Once the Integration Programme has begun, the school retains full payment. This also applies to early or voluntary departure, late arrival, dismissal or prolonged absence.

If there are several boarders from the same family (brothers and sisters) enrolled at the school, the following discount will be applied: 10% for the second child, 15% for the third child, and 20% for the fourth and any additional children. In case of litigation between the school and the parents, Swiss Legislation is the only law applicable in all matters concerning this contract. The competent tribunal will be that of Aigle, Vaud district.

CANCELLATION POLICY

If parents cancel their child's place within 65 days of the start of the course, the school reserves the right to retain the amount paid. Once the course has begun, the school retains full payment. This also applies to early or voluntary departure, late arrival, dismissal, or prolonged absence unrelated to the pandemic situation.

If a student is prevented from traveling due to worldwide restrictions, we either will refund the payment in full or offer a credit note for the amount paid that can be used for any future stay (academic, summer, winter, or integration) of the child(ren) valid for two years. Such a decision will be made on a case by case basis. We strongly suggest the parents take out an insurance policy that covers all eventualities.

IMPORTANT

The enrolment of a student at La Garenne implies that the parents, legal guardians or person responsible for the child, have accepted the school rules and financial conditions.
