We believe each child at La Garenne should be happy, safe, healthy, valued and cherished.

Discover the warm, family atmosphere that pervades our school, where traditional values are a way of life. As a Summer Camp Teacher you will discover opportunities to share your passions and become part of our community.

Within this high-quality, holistic learning environment, children learn how to live in an international community. We instil a lifelong passion for learning: stimulating the children to be curious, creative, and independent critical thinkers. The school strives to nurture the talents of each child, meeting their individual needs and aspirations, and preparing them to be responsible global citizens.

Children are encouraged to consider life as a treasure hunt to find happiness, where the values of openness, responsibility, organisation, honesty, politeness and respect are apparent every day.

The campus centres around an authentic, yet modernised Swiss chalet, on the edge of Villars-sur-Ollon. Perched on a sunny plateau at an altitude of 1300m, the alpine location offers breathtaking panoramic views, easy access to mountain sports and transport

links to culturally rich lakeside cities.

By offering experiences to build resilience, we prepare the children for successful and balanced lives in the future. Our activities, trips and expedition programme provide them with challenges to develop personal confidence. We have adopted the following motto: "Be Happy, Never, Never, Never Give up" to reflect our approach to life.

With 70 years of experience, we have built a team committed to holistic education. Our staff enjoy a collaborative, friendly, creative, innovative environment.

You will be teaching English, with passion, and contributing to the unforgettable experience of Summer Camp at La Garenne School.

If you believe you could be an asset to our Summer Camp and your vision corresponds with our philosophy, please contact the School Director.
