

A UNIQUE INTERNATIONAL BOARDING SCHOOL

We are an international boarding school for children aged from 4 to 18, located in the sunny resort of Villars in the Swiss Alps. As a family-run private school, we are proud of our values, our close-knit community and our cultural diversity.

Here, students are stimulated to unleash their talents, explore their passions and excel in what is important to them, in a safe environment at the heart of Europe. With places for a maximum of 200 students, our class sizes are small. We focus on personalised, challenging academic programmes including the world-renowned IB Diploma.

La Garenne maintains close links to the local community of which we have been a part since 1947. We offer a limited number of places for local day students each year.

PRIMARY SCHOOL

La Garenne Primary School is famous worldwide for its remarkable approach to boarding for students from the age of 4. We have a staff-student ratio of 1 : 2, which means that every child's need is accounted for at this sensitive age. Outdoor learning in our beautiful mountain environment is a key part of our philosophy. This unique, safe location enables even our youngest students to benefit from a holistic education.

Programme: British and International Primary Curriculums

Subjects: English - French - Maths - Science - Outdoor Education - Computing - Sport - Drama - Art - Music

SECONDARY SCHOOL

La Garenne Secondary School is a cutting-edge education facility with small class sizes. It was designed with students' input to harness an environment of innovation, individualism and interconnectedness. Our boarding students live in 2-person suites with stunning views of the Swiss Alps. The main ski lift is right next door, making this a truly ski-in, ski-out experience.

Programmes: International Baccalaureate Middle Years Programme (MYP)

International Baccalaureate Diploma Programme (IBDP)

High School Diploma

Subjects include: English Language & Literature - French Language & Literature - Global Politics - Business & Management - History - Geography - Biology - Physics - Chemistry - Psychology - Mathematics - Visual Arts - Design - Mother-tongue language studies
